"All Telephones calls" with a "Rule 103 Ruling on Evidence."

The President of the United States of America the Defendant Barack Hussein Obama II (aka) Barack Obama and the Vice President Joe Biden

and the First Lady, also their kids, "when did they left the Boston Marathon?" Where were they at, at the Boston Marathon, were they at the starting line at the Boston Marathon race (or) at the Finishing line where the Bombs went off? When did they left before or after the Bomb went off? Under the Federal Rule of Evidence, Rule 103 Ruling on Evidence and Rule 79 Records kept by the clerk (c). Indexes; Calendars (1), (2), (3) Other Records when they left the White house at what time, and come back on to the Whitehouse. I Suspension of Rules with Vice President Joe Biden and GOP Gov Christ Christie at there where about on Boston Marathon Bombing. The Plaintiff, would like to move this into The United States District Court, United States Supreme Court and in to the United States Federal Circuits Courts with these Federal Rulings, to get a Court order to get the FBI, CIA, U.S. Federal Marshall and Private detective to investigated these areas.

The plaintiff have seen something like this that is on the USA Today Newspaper. The USA Today Newspaper date is May 29, 2013 page 2A, Wednesday Newspapers. Why did the GOP GOV Chris Christie shove his hand from his head. The photograph that is on page 2A of May 29, 2013, USA Today, Newspaper is similar person that the Plaintiff have seen on ESPN Live News on "Boston Marathon Bombing" They Plaintiff have seen a Big dude with a Big ~~Brain~~ Jacket that look as Big as GOP GOV Chris Christie or Joe Biden walking first, after him a person

that is skin like President Barack Hussein Obama II (aka) President Barack Obama, and a skin woman standing in the back ground of ~~the~~ President Barack Hussein Obama II (aka) President Barack Obama. The woman had a white cover over her head with a sunglasses over her eyes. She was wearing a long Black Jacket that went down to her knee. Also the Plaintiff will ask the District Court, "Why is CNN does not show everything live, but the end up showing something repeat that does not show ~~not~~ nothing, and it repeat itself on one area "over and over". Is "CNN" hiding something from the people of the United States of America. The CNN that is in Washington D.C. is lying about something, that their not telling the people here in the United States of America. So the plaintiff ask for the FBI and CIA forensic with a via camera with them all the time for this investigation, and for Federal Rule of Evidence Rule 103. The Plaintiff wants a via camera with the FBI and CIA while they search and seizures 618 uses Chapter 205 with a Rule 402 General Admissibility of Relevant Evidence and Constitution of the United States Amendment 4 Unreasonable searches and seizures.

The Plaintiff Arnold James Begey will move on Federal Rule of Evidence Rule 803 Ruling on Evidence with the Defendants; United States President Barack Hussein Obama II, (aka) President Barack Obama about his certificate of Live Birth. The Defendant's father is from Kenya, Africa, and the Defendant's mother is

from Kansas from the United States of America, that means, ~~the~~ the Defendant, United States President Barack Hussein Obama II (aka) President Barack Obama is just a Citizens of the United States of America (Title & Aliens and Nationality; Chapter 12 Immigration and Nationality; Naturalization Nationality at Birth and Collective Naturalization §1401 Nationals and Citizens of the United States of America, at birth (a)(b)(c)(d)(e)(f)(g) and (h).)

So the plaintiff, Arnold James Beyaz asks the United States District Court for the District of Arizona, to have the Defendant, United States President Barack Hussein Obama II (aka) President Barack Obama, "shall not have power to enforce this Articles and to discharge the power ~~to~~ of duties of his office. United States Constitution Amendments 25, Presidential disability and succession (1)(2)(3) and (4) and the Law on Succession to the Presidency. The Defendant, did not have the "Qualification" on the United States Constitution, Article II, and the United States Constitution Amendments 14, ~~the~~ Citizenship right not to be abridged (1)(2)(3)(4) and (5). Also on the constitution of District of Columbia and Articles. The plaintiff will ask the District Court to let this apply to the whole "Democratic in the House of Congress (Senators), the House of Representative and U.S. Secretary of States, that are in the capital hill and not to push any laws or sign and Bills, and to do any Negotiation with any Country around the world from the Capital Hill, white House, and Pentagon (or) any person in

to any country in person. Until this is settle in the United States District Court, United States Supreme Court and United States Federal Circuits Courts on the Defendant; United States President Barack Hussein Obama II (aka) U.S. President Barack Obama. Also his father Barack Hussein Obama.

Therefore the Plaintiff, Arnold James Begay pro se, in to the United States District Court to go back to the former President George H.W. Bush and the Bills, Laws, and policies that was pass within the former President George H.W. Bush's Administration. Why there was impeachment happen with the 42th president "a Democrat" William Jefferson (Bill) Clinton. This United States former President Bill Clinton should ~~not~~ have continue with his presidency. So we the people of the United States of America, have to stay with the former U.S. president ~~being~~ George H.W. Bush. Any Law and Bills that were within the former President Bill Clinton's Administration and George W Bush and United States Barack Hussein Obama II (aka) Barack Hussein Obama and Barack Obama. his father was Barack Obama as well. have to come off that were sign by them. That is in the United States Constitutional Articles and Amendments.
